

From the pastor's heart

The new Sanctuary will be ready soon and we eagerly await the time when we can worship God there. We thank the Lord for giving us great faith; the Sanctuary on level 2 and the Worship Hall on level 6 can accommodate 450 and 300 people respectively. In other words, revival has come to Kum Yan Church and she will bring many into the Kingdom for the Lord.

I sense from the Holy Spirit that revival must first begin in the homes of our people because God's promise is "Believe in the Lord Jesus, and you will be saved--you and your household." (Acts 16:31) Let us bring this promise to fulfillment by our Faith, Prayer and Action. First and foremost we must believe that God is faithful, His word will not return to him void. Next we have to be praying for our family members for it is only the Holy Spirit who can bring revelation to a closed heart. Again we must bravely preach the Gospel to them. Romans 10:14 says "... And how can they believe in the one of whom they have not heard? ..."

We can begin the work of "spiritual adoption" now by praying by name for each of our pre-believer family members; and sharing the Gospel with them through a myriad of ways. Col. 1:28 says, "We proclaim him, admonishing and teaching everyone with all wisdom, ..."

God has already prepared a place for us, let us then hold fast to His promise, declaring 'Me and my household will be saved.'

□ CHURCH PRAYER AGENDA

Haggai 2:9 "The glory of this present house will be greater than the glory of the former house," says the Lord Almighty. "And in this place I will grant peace," declares the Lord Almighty.

In the journey of building-fund raising, we have seen His glory being reflected on how He led His people KY to contribute to the fund faithfully and how He came through at each payment date to ensure sufficient fund for all the payments. His

glory will be greater as KY people continue to trust Him to the end to raise the needed funds for His House solely on His promise that He will provide for this building.

Our new church building -the House of God will be completed in 2 weeks. This is the time when payments for ALL the items will have to be made. We have to pay our contractors and suppliers \$747,000 this month. But we only have \$374,000 (including \$209,000 from pledges & promises). Now the appointed time has come! The time to give our Almighty God greater glory by giving even more generously to meet the shortage of the fund with the zeal of David for the His House. Let this House of God stand forever as a statement of KY people's faith in our Living God.

1) God, please help KY people embrace Your heart's desire to see Your House being built by your people's faith in Your promise and the riches of Your grace. Stir the hearts of all KY people and God's people elsewhere to give sacrificially toward this immediate need of \$747,000, so that we will be able to pay the contractors in full this month.

2) With faith in our Living God, we declare that You will provide us with the full \$6 million by December 31 2006 to pay off all our obligations so that Your House may be dedicated to You for Your purposes in January 2007. ALL KY people will indeed see God's miraculous provision, and know God alone has done this, and God's name alone be glorified.

3) God, as your people give generously with zeal for your House and trust in Your provision, you will throw open the floodgates of heaven and pour out so much blessing on them that they will not have room enough to contain! You will protect their families and properties and grant them great success in the works of their hands. (Malachi 3:10-11)
