from the pastor's heart

Do you not say, 'Four months more and then the harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest. (Jo 4:35)

This verse tells us that the Lord Jesus wants you and me to bring in the harvest that is right before our eyes. We are the very ones to bring the Gospel into the marketplace for the day of revival for our nation will come when the marketplace is transformed, when everyone affirms the Kingdom values of God.

The '100K blessing' prayer campaign is a means for us to go into the neighbourhood, community and marketplace to bring God's blessings into the lives of our relatives, friends and colleagues; because we exist to bless God's creation so that those around us can experience God. I hope that we can all rise up to join this 'blessing team' and become a people of power. You will certainly be surprised by the enthusiastic response of the people you pray with. Besides blessing people, you can seize the opportunity to connect with them, to continue understanding and caring for them. I believe God in His own time will enter their lives through you. From now on this shall become the lifestyle of all Kum Yan brothers and sisters.

How should we equip ourselves? First, I encourage you to participate in the TRANSFORMATION 09 Conference that will be held at the Singapore Expo on May 1st & 2nd. Next, be part of our team to bless at least 10 people in the month of May. As long as we are united, we will be able to bring blessings to every nook and corner of our nation.

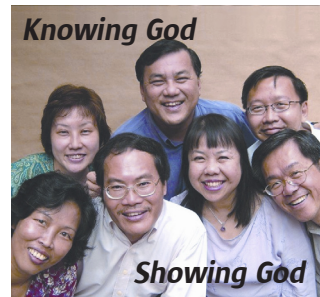

Dear brothers and sisters, I bless you to become as "the fragrance of the Lord" to bless your relatives, friends and colleagues so that because of you they will experience a

life transformation.

Let us commit to pray every evening until Ps Boon Chiau is discharged from hospital. His operation will take place tomorrow. Pray for God to heal our pastor completely from his ailment; pray that the ministries of KY will not be adversely affected by this unexpected event; pray for God's covering and hand of protection over everyone in KY.

3) MELIOR Education Services is offering part-time 'Fully Sponsored Courses'. This kind gesture for those attending Kum Yan Church is in view of the economic downturn. church prayer agenda

Missions is the central responsibility of the Church of God. God has led KY to take on this responsibility in a bigger way this year. About 80 have signed up to go for short term missions to China where KY has established missions work. This list is still growing. KY is enlarging her tent in the nations. As we attempt great things for God, we expect, and we will see, great things from God.

1. Pray for a mighty outpouring of the Holy Spirit to stir the hearts of KY people to obey by carrying out the Great Commission in this end-times. Ask God to continue to enlarge KY's missions vision. Keep us in step with the Spirit's leading to unleash KY people to be part of the harvest-force to the Chinese people, redeeming them to become followers and worshippers of the only true God of the Universe.

2. Pray that KY people will be His bridge of blessing and hope, especially to the marginalized, the forgotten people, the poor and needy whom we meet in the field. Let compassion and tenderness arise from our hearts as a channel for the power the Holy Spirit to flow out from us toward them.

3. In Jesus' name – let us renounce the fear of language learning, and the actual using of the Chinese language which we are not fluent in, while with the people. Declare: "with God all things are possible". Ask God to bless KY people with a supernatural capacity to acquire fluency in the language of the people He calls us to serve.

4. As KY ministers to the people there – ask God to empower us to minister in power to "Heal the sick, cleanse the lepers; raise the dead; and cast out demons" just as He promised. (Matt 10:7-8)
