## from the pastor's heart

Our choices determine us.

It is said, you are rich when you can make a choice. A Choice of what to eat, outfit to wear, the car to drive or where to take a holiday. And here in Singapore, we are blessed with a host of choices to select from.

Whilst the decision making for some things, like those listed above, may not have lasting repercussions, decisions in life across time can bring enduring goodness or dire consequences.

One of our 40-Day readings this week says, "From our youth up, our choices shape our character. And our character shapes our destiny"

It is true that 'a swallow does not a summer make', but the cumulative sum of our choices determine the person we become. Our choice to forgive or hold a grudge, to bless or curse, to encourage or put down, to tell the truth or lie, to be honest or to deceive, to give in to God's way or insist on mine. They all layer one on top of another. No one develops a bad character streak overnight. And a person pleasing to God has to grow with each decision taken. When we act right, we grow right.

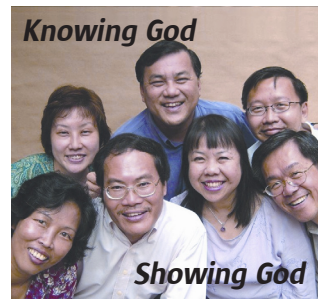

How have you been making choices? As individuals growing right, we are shaped by God to fulfil our purpose. Otherwise, we falter, and our destiny is thwarted. As a nation, just as was Judah in Jeremiah's time, a nation's destiny today is determined by her people's collective choices, priorities, and values.

Let us be determined to make right choices and press on in fervent prayer for ourselves, our fellow citizens, and for our nation as she celebrates her 44th birthday!

Ps Quek Boon Chiau

## church prayer agenda

Thank God! 3 teams have gone to, and returned from China for short-term missions. Every team has returned with stories about how God has used each team to be a channel of blessing; and how the team members have been blessed themselves. 3 other teams are all set to go in August. KY is truly enlarging her tent in missions to the nations, especially China. But more can be done. For to whom much is given, much is required.

1) Ask God to further enlarge KY's missions vision. Keep us in step with the Holy Spirit; and in tune with God's timing. Stir KY people to respond to the missions call to the neediest nations, especially China, in unprecedented numbers. Activate all to pray for, and to give to missions.

2) Ask God to empower the 3 teams that are going to China for short-term trips in August.

Wherever they go in the name of Jesus:-

- They will push back the darkness of evil
- They will drive out demons and bring down strongholds
- They will speak the Word with power and authority
- They will lay hands on the sick and they shall recover

3) KY is not a mega church. But ask God to turn KY into a church with "mega" people who revere and fear the Lord; who hear and obey to carry out the missions call God has given to KY; to fulfill her God-given assignment for His glory.
