

Kum Yan Church Building Fund

# 'WALK BACK' WALKATHON

Sunday Morning \* 10 Dec 2006

The route is printed on the Walkathon card

More details will be provided before the event

The present Kum Yan Church building was built in the 1950s. To meet the growing needs of our Cantonese, Mandarin, English, Youth and Children ministries and fulfill our vision of blessing people in the city centre, it is necessary to rebuild the church premises. The cost is estimated at S\$6 million.

- 1 Praise God, we have raised more than S\$4.5 million so far.
- 2 We are moving into the final phase of our rebuilding & fund raising.
- 3 We continue to trust God to provide us with the funds needed through members and friends of Kum Yan. Thank you for your support!

## **Walkathon Fund Raising Guidelines:**

1. Please collect 1 or more cards from your respective congregational representatives at the distribution counters after Sunday Service starting from the 10th of September.
2. Please pray and then set for yourself a personal faith collection target; \$100? \$500? \$1000? This is a personal commitment.
3. Please note that you can only collect donations from people you know; friends, family, colleagues, classmates etc and not from members of the public. Collections cannot be made in public areas (like MRT stations) or even door-to-door from strangers.
4. Remember, our God is a generous God, so let's set some exciting personal targets and approach this as an adventure in faith!
5. Collection of the cards and the money will be on the 19th of November, the 3rd and 17th of December 2006. We've got more than 12 weeks! Let's see how the Lord multiplies our 5 loaves and 2 fish!

**IMPORTANT:** Please be careful with your cards. Since this deals with money, lost cards will need to be reported to the police and the police report presented to church.
